PUCHU IS A STIMULANT, and of itself may fail to effect a cure, but Buchu, when scientifically combined with Bromide of Potassium and other ingredients, produces a sedative effect, and causes a healthy action, thus increasing the powers of digestion allowing irritation, reducing all unaction, thus increasing the powers of disciplination, allaying irritation, reducing all unnatural swellings, stopping pain and inflammation, and causing the repairs and nutriments in the human body to be greater than the wastes, thus presenting decomposition and decay, and gives nourishment, health

and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the re- Grates, Tin, Copper and gion of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula Syphilis, in its many forms, Ulcers, and If your system is affected by any of the above symptoms and diseases, relief is at hand. Get a bottle of my Buchu and Bromide of Potassium at once and you may rely on being cured. I know just what I say. My record as a Compounder of Medicine is second to no man

in the Southwest. Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physicians in Louisville put together Undoubtfor every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medinext door to McCutchen & Co's, Store, cines are a success - a great success. Louisville is not large enough for me to have a Competitor, I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, My Medicines are good and answer the J. H. DAVIS irpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of Potassium is the best article now in the market for the cure of all diseases of the urinary ID IR Y or genito-unrinary organs, such as Nocturnal Incontinence, Irritability of the Bladder

and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases. Ruy a dollar bottle and be cured. Use as per directions in all cases. JOHN BULL, M. D. Manufacturer and Vender of the

CELEBRATED

FOR THE CURE OF AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent ours of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. Southern Express Company more certain to cure, if its use is continued n smaller doses for a week or two after the this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi- oct 12oine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and sodeeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through along series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all should be provided with this antidote for them. Although settled Consumption is thought incurble, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them, under the Cherry Pectoral they subside and disappear.

Singers and Publish Sneakars find great proforal they subside and disappear,
